

Exhibit A

Heffler Invoices + Vendor/Third Party Invoices to correlate with billing
(Attached Invoices Coded)

*Invoice 30874-2016001 – for services through July 31, 2016:

- Amount updated – noticed a duplication of hours, revised 'Staff – blended rate' hours and there was a clerical error in the 'Broker Bills' – this total should be \$1,283.60 not \$1,342.00
- Print charge includes the printer's (NPC) invoice for mailing, as well as HCG time working on the data and prepping file for the printer
- Postage – The total postage for the mailing initial mailing was \$912.17, NPC was sent an advance of \$575.68 and then billed the additional \$336.49 on their invoice. The additional postage charges are for internal mailings and Fedex charges in relation to Bulk Broker Requests and sending the advance postage check to the printer

*Invoice 30874-2016002 – for services through August 31, 2016:

- Amount updated – noticed a duplication of hours, revised 'Staff – blended rate' hours
- Requests for Notice – 775 Broker Request, 8 individual requests
- The difference in the printer invoices, and billed charges for 'Respond to Requests for Notice' includes time that went into receiving, combining, and prepping the mail files received from various Brokers
- Postage – Includes postage from NPC invoice as well as internal postage for mailings + Fedex for sending Bulk Broker Requests
- When we receive the claims we bill the full amount (\$7.95/claim), this then includes work done on the claim moving forward – processing, labeling, scanning, data entry

*Invoice 30874-2016003 – for services through September 30, 2016:

- The difference in the printer invoices, and billed charges for 'Respond to Requests for Notice' includes time that went into receiving, combining, and prepping the mail files received from various Brokers
- Postage – we sent two postage advances the printer (NPC), \$4,250.00 and \$1,092.08, this why the postage is low on the invoices received. The additional postage charges are for internal mailings and Fedex charges in relation to Bulk Broker Requests and sending the advance postage check to the printer. 'Broker Bills' is from 3 FedEx postage receipts for additional Bulk Requests sent.

*Invoice 30874-2016004 – for services through October 31, 2016:

- Amount updated – noticed a duplication of hours, revised 'Clerical or Data Entry' hours
- When we receive the claims we bill the full amount (\$7.95/claim), this then includes work done on the claim moving forward – processing, labeling, scanning, data entry
